AIS Archery Scholarship - Applicant Sporting Details

Name:

Approximately how long have you been shooting (in years and months)?

Date	Competition/Personal Milestone/Key event	Age at time / Age Group	Round (eg. Ladies FITA, FITA 900)	No of archers (in age/round)*	Your score (if applicable)	Winning Score (for the round)	Result / Placing

*This is important as placing second in an age group, category or round with three competitors is not as noteworthy as doing the same in a round with 25 competitors (with the possible exception of having shot an incredible score)
